

Amendment to RFP

(Date: 29-03-2014)

Following the discussions held in the pre-bid meeting on 26th March 2014 at NISM regarding the above mentioned "Request for Proposal (RFP)", the following amendments are issued to the RFP:

1. Specifications of Mixer (Refer Page 9, Page 27, Page 36 of RFP)

The following is added to the specifications of Mixer.

"Acoustic Echo Cancellation" feature.

2. Specifications of Amplifier (Refer Page 7, 25 and 34 of RFP)

The following is added to the specifications of Amplifier.

The Amplifier must have inbuilt transformer (70 Volt, 100 Volt taps)

3. De-embedder (Refer Page 10, 28 and 37 of RFP)

De-embedder need not be quoted as a separate line item if it is inbuilt into the HDMI Switcher.

4. Switch Specifications (24 port and 48 port)(Refer Page 12, 31 and 39 of RFP)

The following is added to the specifications of the Switches.

- Ports of Switches are 10/100/1000 Gigabit ports.
- The Switches mentioned as "Ordinary" switches in the RFP are Unmanaged Layer-2 Switches.
- The two 24 port unmanaged switches mentioned in the RFP are to be used as spare switches. Hence the supplier is not required to install the switches anywhere. However, the switches have to be unpacked, tested and shown functional.

5. HDMI Patch cords and their length (Refer Page 11,29 and 38 of RFP)

Please note that item 14 indicated on page 11, 29 and 38 of RFP includes 9 HDMI patch cords of 1m length and also 9 VGA patch cords of same length (these will go along with cable cubbies).

6. Controller (Refer Page 10, 29 and 37)

- This should also support iPad as a remote control device.
- The required licensed iPad-3 applications from the O.E.M. of the controller must be supplied and included within the cost of the controller.

7. iPad-3

One iPad-3 should be quoted separately in addition to the Touch Panel.

8. Motorized Screen (Refer Page 7,25 and 34 of the RFP)

Motorized Screen will not be controlled through the controller. It will have its own remote and should also be operated through a switch.

9. Touch Panel Size (Refer item 13 on Page 10,29 and 37 of the RFP)

The key specifications of the Touch Panel are:

- Size: 5.7 inch (145 mm) diagonal.
- Aspect Ratio: 4:3 VGA.
- Resolution: minimum 640 x 480 pixels.
- Contrast: 400:1 (or more).
- Touch Screen: Resistive Membrane.
