

MDP ON

ANTI-MONEY LAUNDERING

28th-29th February 2024
3:00 PM to 6:00 PM

Program Overview

A 2-day MDP on Anti-Money Laundering (AML), is structured to provide a detailed understanding of essential concepts. Begin with an insightful introduction to AML, laying the foundation for an in-depth exploration.

Our program aims to equip participants with comprehensive knowledge insights into AML strategies, regulations etc.. Through engaging sessions led by industry experts, attendees will gain a deep understanding of the evolving landscape of financial crimes, the regulatory frameworks governing AML, and the latest technological advancements in detection and prevention. By actively participating in this program, you will not only enhance your professional skills but also contribute to the collective effort of safeguarding the financial industry from the perils of money laundering, thereby fostering a more secure and resilient global economy.

Program Speaker

Guiding your AML exploration is our distinguished program speaker- an industry expert with extensive experience in this area, Mr. Krishnan Viswanathan, Chief Executive Officer, Kris Konsulting.
