Testimonials

NISM's Study Tour is a nice blend of fun and learning. While the stay at NISM Campus was pleasant, the **hands-on trading in the simulation lab** was something which I had never experienced before. The tour gave me a glimpse of the securities market industry.

Visiting the stock exchanges and SEBI opened up new perspectives to the stock market. **NISM's simulated trading** was the key highlight of the entire tour. The stay, food and hospitality of NISM team is really worth the appreciation.
