

## **Amendment to RFQ**

(Date: 3-04-2013)

Reference is made to the above mentioned Request for Quotation. In view of discussion at pre-bid meeting it has been decided that following corrections to RFQ will be published on NISM's web. Please note that the following amendments are made to the RFQ.

- **Section-4** - Chosen supplier will be expected to deliver and configure the LLB at all three locations within 4 weeks from date of issuance of purchase order.
- **Section-2.5** – First bullet will read as follows.  
Suppliers may quote for one or more option given in Section-3.1.
- The IOS version of the Link Load Balancer should be IPv6 Compliant and the commitment letter from OEM about IPV6 compatibility towards the appliance stated in the RFQ (refer section-3) is a pre-requisite.
