Message from the Director

Greetings from National Institute of Securities Markets !

It is a great pleasure to welcome you to be a part of our Virtual Internship activities of NISM. Located in the tranquil atmosphere at Patalganga and away from the bustling city life of Mumbai, NISM, which was inaugurated by the Hon'ble Prime Minister of India, Shri Narendra Modi in December 2016, is a premier institute for training and research in the securities markets. NISM was set up by SEBI with a vision to lead, catalyze and deliver educational initiatives with a view to enhancing the quality standards of and increasing the participation in the securities markets and to promote research. Towards achieving this goal, NISM has launched several educational, training and certification programs for teaching and training intermediaries in securities market, budding professionals aspiring to serve the securities market, and also other officials/ executives working in various other segments

across the country.

The business environment today is dynamic, competitive, far-reaching, and transcends boundaries, whilst seamlessly connecting economies across the globe. To survive in this highly competitive landscape, NISM has understood the importance of broad based education and has created a conducive environment for the students to blossom into capable professionals to energize and manage the tremendous growth in Indian financial sector. The institute places special emphasis on inculcating corporate values and skills required for complex decision-making, besides developing superior expertise on functional domains specific to securities markets and garnering overall business knowledge.

Our strong and experienced faculty, who have taught and consulted across the industry have developed a curriculum that has been built through regular interaction with the industry. They help/guide and shape our students for making them prepared to thrive as professionals in the competitive environment of the securities market. The students here go through a demanding curriculum, corporate lecture series, exposure to securities markets through simulation exercises, internship at a prospective workplace and also industrial attachments apart from interacting with the eminent guest speakers from the financial world which go on to prepare them to take up the desired role in financial sector. The students at NISM hail from different backgrounds like Engineering, Economics, Commerce etc.

At NISM, we have been developing the student's talent and capabilities as desired by the markets to make them more suitable for industry.

I am certain that our students are ready to assume key roles in various organizations and contribute to the development of securities market and We look forward to a mutually beneficial and long lasting relationship with your esteemed organization.

About NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI). From spreading awareness of securities market among common investors to skill development of market professionals, the institute carries out a wide range of capacity building activities at various levels. NISM's six schools of excellence and the National Center for Financial Education work in synergy towards professionalizing securities market.

The School for Securities Education (SSE) creates new age securities market professionals and equips them with expertise to meet the enhanced expectations through its uniquely positioned academic programmes.

Vision

To lead, catalyze and deliver educational initiatives to professionalize the securities markets.

Mission

To engage in capacity building among stakeholders in the securities markets through financial literacy, professional education, certification, enhancing governance standards and fostering policy research.

Post Graduate Diploma in Management (Securities Markets)

PGDM is a two-year full time Post-Graduate Diploma course for students coming from various disciplines interested in pursuing a career in securities markets. This programme has been freshly launched in 2017 and is approved by All India Council for Technical Education (AICTE).

PGDM students are equipped to be complete securities market professionals. They are positioned to take up a wide range of responsibilities such as Analysts, Investment Managers, Valuers of Asset Classes, Treasury & Risk Managers, Operational Managers, Compliance Officers, Financial Planners & Wealth Managers etc. Organizations that will find our students suitable include Analytics firms, Rating Agencies, Stock-Brokers, Fund Managers, Investment Banks, Registered Valuers, Banks, Financial Advisors etc.

Why hire PGDM students?

- A mixed batch, which is a blend of fresh and experienced Science, Arts, and Commerce graduates, eager to take up variety of profiles across the organisations hierarchy.
- Excellent faculty drawn from the cream of academia, industry, and SEBI.
- In-depth unique exposure to SMART lab (Simulated Trading in equities, commodities and F&O), Bloomberg and Financial databases like CMIE proweess
- Equipped with comprehensive theoretical and practical knowledge of all asset classes and across market segments.
- Insights from Finance, Accounting, Economics, Computing, Quantitative Methods and Law

Learning-cum-Practice Programme

As a part of our initiative to develop the talent needed for securities markets, we are taking various endeavours to sensitize students to obtain a hands-on experience on securities market practices, apart from classroom sessions.

NISM is partnering with several institutions, which include market leaders, market infrastructure institutions & regulators, to achieve the same.

This Programme has ensured that our students are uniquely placed to receive wide practical exposure to market practices, which in-turn supports their classroom learning; apart from building and fostering a long-lasting relationship with the market/industry.

Industry Interaction

Industry Interaction is conducted at NISM's Patalganga Campus from time-to-time, at regular intervals. This provides a platform for the students and the faculty to interact with various eminent personalities from the industry; thereby providing a practical insight to the workings of the securities markets. The students are, as a result, benefitted from the knowledge of the field and are made aware of the roles they can play in Securities Markets. Some of the well-known speakers at the Industry Interaction session have been -
