NISM

National Institute of
Securities Markets
(An Educational Initiative of SEBI)

The background of the slide features a complex financial market visualization. It includes a prominent white line graph in the foreground showing market fluctuations. Behind it, there are several layers of candlestick charts with orange and red bars, and various blue and green line graphs and data points, all set against a dark blue background with a grid of light blue lines.

Investing in Recovery: Challenges and Opportunities for Indian Securities Markets

24-25 February, 2022

About the Conference

SEBI and NISM are glad to invite academicians, researchers, students and other stakeholders to participate in the Third SEBI-NISM Research Conference on “Investing in Recovery: Challenges and Opportunities for Indian Securities Markets”. The conference is to be held during 24-25 February, 2022.

The goal of this conference is to continuously improve the research standards in securities markets, facilitate industry academia interaction and exchange of information and knowledge. The conference aims at providing a platform for every participant to share their unique perspectives, thoughts and knowledge.

Conference Themes

Broad conference themes include the following:

- Capital Markets in the Changing Context
- Sustainable Finance
- Culture of Equity and Long-Term Investment by Households
- Role of the Social Stock Exchanges
- Evolving Market Landscape
- Indian Commodity Markets

Call for Papers

Academicians, researchers, students and other stakeholders are invited to submit full papers related to the above specified conference themes.

Further details of themes are given on website under the 'Themes' section.

The submitted work should not have been published elsewhere and should not be intended to be published elsewhere during the review period.
