## Message from the Director

Dear Recruiters,

During this recruitment season, as usual, you must be looking forward to selecting people with core competencies combined with exceptional qualities.

I am happy to offer the 4th batch of Post Graduate Diploma in Management specialised in Securities Markets PGDM (SM); a group of 80+ skilled professionals in the area of financial/securities markets. They are a mix of fresh people as well as people having experience (3% more than 5 years & 14% 2-5 years); all of them eagerly looking forward to starting a right career and contributing to the growth of the organisation they would join.

I recommend that you consider recruiting them to help face the challenges of your organisation.

**Dr. CKG Nair**

**Dr. Rachana Baid**  
Head of Department, School for Securities Education

## Message from the Head of Department

It is with great pleasure that I present to you the fourth batch of our flagship program Post graduate Diploma in Management – Securities Markets. The meticulously thought-out selection process of the batch, industry vetted periodically fine-tuned program structure, case-based teaching pedagogy, stringent evaluation process across all the subjects along with mandatory certification examinations have resulted in a pool of well-trained mature professionals ready to take up various roles in securities markets.

I take this opportunity to thank our past recruiters. Just like the students of previous batches, students of Batch 22 too are looking forward to surpassing your expectations. I would also like to welcome the new recruiters. I assure you that our students are adequately groomed with necessary personal skills and are rigorously trained by the faculty pool of PhD holding seasoned academicians and senior professionals/ market experts from the industry. For its student community, NISM also organizes leadership lecture series that gives them exposure to the best minds and leaders from different domains as we at NISM endeavour to prepare future leaders.

I wholeheartedly endorse the potential of our PGDM (SM) students and trust in their ability to impart enormous value to your organizations.

**Dr. Rachana Baid**  
Head of Department,  
School for Securities Education

## About NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI). From spreading awareness of securities market among common investors to skill development of market professionals, the institute carries out a wide range of capacity building activities at various levels. NISM's six schools of excellence and the National Center for Financial Education work in synergy towards professionalizing securities market.

The School for Securities Education (SSE) creates new age securities market professionals and equips them with expertise to meet the enhanced expectations through its uniquely positioned academic programmes.

**Vision:** To lead, catalyze and deliver educational initiatives to professionalize the securities markets.

**Mission:** To engage in capacity building among stakeholders in the securities markets through financial literacy, professional education, certification, enhancing governance standards and fostering policy research.

## Post Graduate Diploma in Management (Securities Markets)

PGDM is a two-year full time Post-Graduate Diploma course for students coming from various disciplines interested in pursuing a career in securities markets. This programme has been freshly launched in 2017 and is approved by All India Council for Technical Education (AICTE).

PGDM students are equipped to be complete securities market professionals. They are positioned to take up a wide range of responsibilities such as Analysts, Investment Managers, Valuers of Asset Classes, Treasury & Risk Managers, Operational Managers, Compliance Officers, Financial Planners & Wealth Managers etc. Organizations that will find our students suitable include Analytics firms, Rating Agencies, Stock-Brokers, Fund Managers, Investment Banks, Registered Valuers, Banks, Financial Advisors etc.

## Why hire PGDM students?

- A mixed batch, which is a blend of fresh and experienced Science, Arts, and Commerce graduates, eager to take up variety of profiles across the organisations hierarchy.
- Excellent faculty drawn from the cream of academia, industry, and SEBI.
- In-depth unique exposure to SMART lab (Simulated Trading in equities, commodities and F&O), Bloomberg and Financial databases like CMIE prowess
- Equipped with comprehensive theoretical and practical knowledge of all asset classes and across market segments.
- Insights from Finance, Accounting, Economics, Computing, Quantitative Methods and Law

## Industry/ Regulatory Interaction

Industry Interaction is conducted at NISM's Patalganga Campus from time-to-time, at regular intervals. This provides a platform for the students and the faculty to interact with various eminent personalities from the industry; thereby providing a practical insight to the workings of the securities markets. The students are, as a result, benefitted from the knowledge of the field and are made aware of the roles they can play in Securities Markets.

Some of the well-known speakers at the Industry/Regulatory Interaction session have been –

- **Hon'ble Justice Tarun Agarwala**, Presiding Officer, Securities Appellate Tribunal (SAT)
- **Hon'ble Justice Madan Joshi**, Judicial Member, SAT
- **Mr. M. S. Sahoo**, Ex-Chairperson, Insolvency and Bankruptcy Board of India (IBBI)

# Learning-cum-Practice Programme

As a part of our initiative to develop the talent needed for securities markets, we are taking various endeavours to sensitize students to obtain a hands-on experience on securities market practices, apart from classroom sessions.

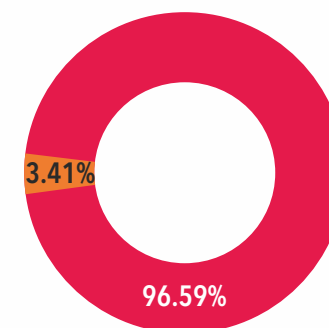

NISM is partnering with several institutions, which include market leaders, market infrastructure institutions & regulators, to achieve the same.

This Programme has ensured that our students are uniquely placed to receive wide practical exposure to market practices, which in-turn supports their classroom learning; apart from building and fostering a long-lasting relationship with the market/industry.
