

## **Registration Starts – 1<sup>st</sup> December, 2021**

### **QUIZ**

#### **How to register?**

Registration for the Quiz will be through Colleges only. No individual registrations would be entertained. Colleges are required to register themselves first and then register its students through the link <https://akam.nism.ac.in/> . The registration process is as follows-

STEP 1: College register itself by providing the details of college, such as College name, region, postal address, official email id of college, phone number, principal's details and contact details of person in charge from college etc.

STEP 2: After successfully registering, login credentials for the colleges will be generated and will be sent to the respective colleges through email, SMS and WhatsApp.

STEP 3: College logs in using the user name and password received and enters the participating student's details. Colleges have choice, either to upload details one by one or use the facility of bulk upload, or else they can share the login credentials with the students, who in turn can register themselves.

STEP 4: Once the students are registered, they will receive the login credentials

STEP 5: Students can use these credentials to participate in the quiz.
