The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI), the regulator of the securities markets in India. The institute carries out a wide range of capacity building activities at various levels aimed at enhancing the quality standards in securities markets.

The institute's six schools of excellence work in synergy towards creating professionalized securities markets.

1. School for Securities Education (SSE)
2. School for Certification of Intermediaries (SCI)
3. School for Regulatory Studies and Supervision (SRSS)
4. School for Investor Education & Financial Literacy (SIEFL)
5. School for Corporate Governance (SCG)
6. School for Securities Information and Research (SSIR)

Vision

To lead, catalyze and deliver educational initiatives to enhance the quality of securities markets.

Mission

To engage in capacity building among the stakeholders in the securities markets through financial literacy, professional education, enhancing governance standards and fostering policy research.

NISM has a sprawling 72-acre campus with a serene environment and state-of-the-art infrastructure at Patalganga (near Mumbai-Pune Expressway) was inaugurated by Shri Narendra Modi, incumbent Prime Minister of India, on 24 December 2016.

This picturesque campus offers full-time residential academic programmes for postgraduate students, short-term training programmes and faculty development programmes for market participants.
