## Program Director's Message

PGDM (SM) is designed to provide a perfect blend of conceptual understanding and exposure to best practices and policies, through application-centric pedagogies. The institute with its team of dedicated academic and industry experts impart knowledge based on in-depth research, practice and constant interaction with the policymakers and the industry at the senior levels. As part of the PGDM (SM) program, the students not only gain insights into securities markets and finance from the extensive curriculum, but also fine-tune and hone their knowledge and skill sets through simulated trading and investment exercises, and interaction with eminent leaders from the financial world, under the leadership lecture series of the institute.

It gives me great pleasure to welcome you to the Internship Program of our PGDM (SM) 2021-23 batch. The students of the batch come from a variety of fields, including engineering, management, economics, and commerce. The meticulously thought-out selection process of the batch, industry vetted program structure, case-based teaching pedagogy, simulation exercises, and embedded mandatory certifications, have resulted in a pool of well-trained and skilled professionals ready to take up various roles in securities markets.

I am confident that our students are prepared to take on leadership roles in a variety of businesses and contribute to the growth of the securities market, and I look forward to a mutually beneficial and long-term partnership with your prestigious organisation. I would like to take this occasion to express our gratitude to our previous recruits. I would also like to extend a warm welcome to the new recruits.

I strongly endorse the potential of our students and I am confident in their ability to add tremendous value to your organisations.

**Mr. Ritesh Nandwani**  
Program Director

## About NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI). From spreading awareness of securities markets among common investors to skill development of market professionals, the institute carries out a wide range of capacity building activities at various levels. NISM's six schools of excellence and the National Center for Financial Education work in synergy towards professionalizing securities markets.

The School for Securities Education (SSE) creates new age securities markets professionals and equips them with expertise to meet the enhanced expectations through its uniquely positioned academic programmes.

**Vision:** To lead, catalyze and deliver educational initiatives to professionalize the securities markets.

**Mission:** To engage in capacity building among stakeholders in the securities markets through financial literacy, professional education, certification, enhancing governance standards and fostering policy research.

## Post Graduate Diploma in Management (Securities Markets)

PGDM is a two-year full time Post-Graduate Diploma course for students coming from various disciplines interested in pursuing a career in securities markets. This programme has been freshly launched in 2017 and is approved by All India Council for Technical Education (AICTE).

PGDM students are equipped to be complete securities markets professionals. They are positioned to take up a wide range of responsibilities such as Analysts, Investment Managers, Valuers of Asset Classes, Treasury & Risk Managers, Operational Managers, Compliance Officers, Financial Planners & Wealth Managers etc. Organizations that will find our students suitable include Analytics firms, Rating Agencies, Stock-Brokers, Fund Managers, Investment Banks, Registered Valuers, Banks, Financial Advisors etc.

## Why hire PGDM students?

- A mixed batch, which is a blend of fresh and experienced Science, Arts, and Commerce graduates, eager to take up variety of profiles across the organisations hierarchy.
- Excellent faculty drawn from the cream of academia, industry, and SEBI.
- In-depth unique exposure to SMART lab (Simulated Trading in equities, commodities and F&O), Bloomberg and Financial databases like CMIE prowess.
- Equipped with comprehensive theoretical and practical knowledge of all asset classes and across market segments.
- Insights from Finance, Accounting, Economics, Computing, Quantitative Methods and Law.

## Leadership Lecture Series

Industry Interaction is conducted at NISM's Patalganga Campus from time-to-time, at regular intervals. This provides a platform for the students and the faculty to interact with various eminent personalities from the industry; thereby providing a practical insight to the workings of the securities markets. The students are, as a result, benefitted from the knowledge of the field and are made aware of the roles they can play in Securities Markets.

# Learning-cum-Practice Programme

As a part of our initiative to develop the talent needed for securities markets, we are taking various endeavours to sensitize students to obtain a hands-on experience on securities market practices, apart from classroom sessions.

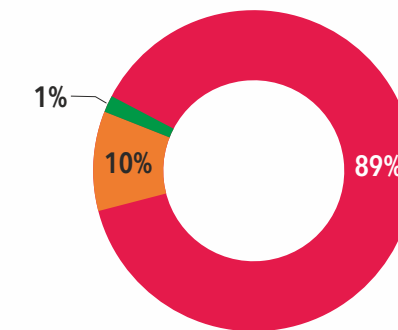

NISM is partnering with several institutions, which include market leaders, market infrastructure institutions & regulators, to achieve the same.

This Programme has ensured that our students are uniquely placed to receive wide practical exposure to market practices, which in-turn supports their classroom learning; apart from building and fostering a long-lasting relationship with the market/industry.
