4th SEBI-NISM Research Conference

Indian Securities Markets – The Next Agenda 02-03 March, 2023

About the Conference

SEBI and NISM are glad to invite academicians, researchers, policy makers, regulators, students and other stakeholders to participate in the Fourth SEBI-NISM Research Conference on "Indian Securities Markets – The Next Agenda". The conference is to be held during March 02-03, 2023 in physical mode at NISM Campus, Patalganga.

The goal of this conference is to continuously improve the research standards in securities markets, facilitate industry academia interaction and exchange of information and knowledge. The conference aims at providing a platform for every participant to share their unique perspectives, thoughts and knowledge.

Key Themes

Broad conference themes include the following:

- Financing for Growth – Innovation and Investor Protection;
- Corporate Bond and Hybrids Market – The Agenda for a Complete Market;
- Asset Management – Emerging Trends and Policy Lessons;
- Market Risk and Supervision - The New Tech Landscape.

Call for Papers

Academicians, researchers, policy makers, regulators, students and other stakeholders are invited to submit full papers related to the above specified conference themes. Further details of themes are given on the conference website (https://www.nism.ac.in/?post_type=conference&p=23624) under the 'Themes' section.

The submitted work should not have been published elsewhere and should not be intended to be published elsewhere during the review period. Paper can be submitted under two different categories:

1. Regular Category (RC)

2. Young Researcher (YR) Category

Separate Category and Session for Young Researchers (YRs):

Objective behind organizing Research Conference is to promote research in the area of securities markets in India especially providing a platform for Students/Young Researchers (YRs). In the past three conferences we received a mix of papers both from the experienced researchers as well as from the budding ones. In this conference, we will be accepting papers that deal with various issues concerning securities markets from YRs. The aim is to provide a platform to YRs to showcase their research ideas and solicit feedback and guidance so as to enhance the relevance and quality of their papers.

- This will be a half a day session (parallel session with other conference activities) with 4-5 papers/ideas/posters to be selected for the presentation.
- The topics should be related to securities markets and not restricted only to the conference themes.
- Participants can be under-graduate, graduate, PG students or young researchers pursuing full time PhD with any university and below 35 years of age.

- There will be a cash prize of ₹15,000 for the best idea in this segment.
- The session will be open to the conference audience.

Paper Submission

Final papers are to be submitted on or before the specified dates. Final paper submission is to be done through EasyChair (<https://easychair.org/conferences/?conf=4thsnrc>) as per detailed guidelines available on the conference website.

- The submission link in easy chair will be same for both categories.
- Same author cannot submit papers under both categories i.e. YR Category and Regular Category.
- Selected authors from YR Category will have to provide Proof for Date of Birth and Proof of education level from the HoD of their Department or schools/PhD guide on letter head during submission of their papers.
- Those submitting papers in YRs category have to state the paper title as YRC - title of paper. Regular Category researchers needs to mention paper title only. Further details are provided in paper submission guidelines under "Call for Papers"..
- Papers not submitted as per the submission guidelines will not be accepted.

Criteria for Selection of Papers and Awards

1. Papers submitted on or before the timeline will only be considered.
2. The papers submitted under the regular category should be strictly as per themes provided in the call for papers.
3. Further, for the submitted papers, more weightage will be given to the paper providing suggestions for achieving and improving SEBI's broader objectives i.e. to protect the interests of investors in securities and to promote the development of, and to regulate the securities market and for matters connected therewith or incidental thereto.
4. Decision of Selection Committee on acceptance /rejection of the paper will be final.
5. An amount of ₹10,000 will be awarded per selected paper to the author (to the first author only, if the paper is co-authored). There will be no such award for submissions under YRs Category.
6. There will be three Best Paper Awards (first, second and third) and will be awarded ₹45,000, ₹35,000 and ₹25,000 respectively, which will be announced at valedictory session.

About SEBI

SEBI is the apex regulator of the Indian securities market. The Preamble of SEBI describes the basic functions of SEBI as “.....to protect the interests of investors in securities and to promote the development of, and to regulate the securities market and for matters connected therewith or incidental thereto.”
