ABOUT NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI). From spreading awareness of securities markets among common investors to skill development of market professionals, the institute carries out a wide range of capacity building activities at various levels. NISM's six schools of excellence and the National Center for Financial Education work in synergy towards professionalizing securities markets.

The School for Securities Education (SSE) creates new age securities markets professionals and equips them with expertise to meet the enhanced expectations through its uniquely positioned academic programmes.

Vision: To lead, catalyze and deliver educational initiatives to professionalize the securities markets.

Mission: To engage in capacity building among stakeholders in the securities markets through financial literacy, professional education, certification, enhancing governance standards and fostering policy research.

Dr. Rachana Baid

Dean - Academics, NISM

MESSAGE FROM THE DEAN

Dear Recruiters,

Greetings from National Institute of Securities Markets!

I welcome you to the internship process of the sixth batch of PGDM(SM) students. Summer internship is an integral part of PGDM (SM) program. Our curriculum provides six credits to summer internship that is equivalent to two full courses. The three terms of rigorous course work by experienced faculty, comprising of Ph.D. holding academicians and industry experts, prepare the students very well for the industry internship. Summer internship provides the students with opportunities to apply what they have learnt, and appreciate what they need to learn in the remaining three terms of the program. For NISM, internship is an opportunity to present to the industry these bright young minds who are selected through a very competitive process and after a year of academic course work have blossomed into capable professionals due to the high standards of academic rigour and integrity maintained at NISM. It also gives us an opportunity to invite you to partner with us in our journey of creating a cadre of securities market professionals.

At NISM, we have been developing the student's talent and capabilities as desired by the markets to make them suitable for various roles and responsibilities. The institute also places special emphasis on inculcating corporate values and ethical behaviour.

I am certain that the partnership formed during the internship period will culminate into placement offers for my students. I look forward to a mutually beneficial and long lasting relationship with your esteemed organization.

Program Director, NISM

MESSAGE FROM PROGRAM DIRECTOR

Dear Recruiters,

PGDM (SM) is designed to provide a perfect blend of conceptual understanding and exposure to best practices and policies, through application-centric pedagogies. The institute with its team of dedicated academic and industry experts impart knowledge based on in-depth research, practice and constant interaction with the policymakers and the industry at the senior levels. As part of the PGDM (SM) program, the students not only gain insights into securities markets and finance from the extensive curriculum, but also fine-tune and hone their knowledge and skill sets through simulated trading and investment exercises, and interaction with eminent leaders from the financial world, under the leadership lecture series of the institute.

It gives me great pleasure to welcome you to the Internship Program of our PGDM (SM) 2022-24 batch. The students of the batch come from a variety of fields, including engineering, management, economics, and commerce. The meticulously thought-out selection process of the batch, industry vetted program structure, case-based teaching pedagogy, simulation exercises, and embedded mandatory certifications, have resulted in a pool of well-trained and skilled professionals ready to take up various roles in securities markets.

I am confident that our students are prepared to take on leadership roles in a variety of businesses and contribute to the growth of the securities market, and I look forward to a mutually beneficial and long-term partnership with your prestigious organisation. I would like to take this occasion to express our gratitude to our previous recruits. I would also like to extend a warm welcome to the new recruiters. I strongly endorse the potential of our students and I am confident in their ability to add tremendous value to your organisations.

Mr. Ritesh Nandwani

Learning-cum-Practice Programme

As a part of our initiative to develop the talent needed for securities markets, we are taking various endeavours to sensitize students to obtain a hands-on experience on securities market practices, apart from classroom sessions.

NISM is partnering with several institutions, which include market leaders, market infrastructure institutions & regulators, to achieve the same.

This Programme has ensured that our students are uniquely placed to receive wide practical exposure to market practices, which in-turn supports their classroom learning; apart from building and fostering a long-lasting relationship with the market/industry.
