## ABOUT NISM

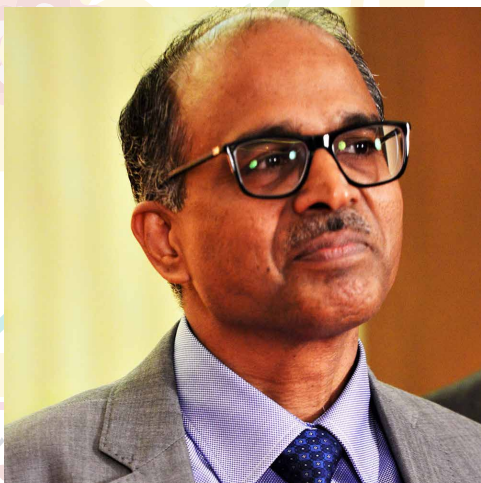

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI). From spreading awareness of securities markets among common investors to skill development of market professionals, the institute carries out a wide range of capacity building activities at various levels. NISM's six schools of excellence and the National Center for Financial Education work in synergy towards professionalizing securities markets.

The School for Securities Education (SSE) creates new age securities markets professionals and equips them with expertise to meet the enhanced expectations through its uniquely positioned academic programmes.

**Vision:** To lead, catalyze and deliver educational initiatives to professionalize the securities markets.

**Mission:** To engage in capacity building among stakeholders in the securities markets through financial literacy, professional education, certification, enhancing governance standards and fostering policy research.

**Dr. CKG Nair**

Director, NISM

## MESSAGE FROM THE DIRECTOR

Dear Recruiters,

During this recruitment season, as always, you must be looking forward to selecting people with core competencies combined with exceptional qualities.

I am happy to offer the 6th batch of Post Graduate Diploma in Management specialized in Securities Markets [PGDM (SM)]; a group of 92 skilled professionals in the area of Financial/securities markets. The USP of studying in NISM is the equal weight we give to both theory and actual application on the ground. While the expert in-house faculty predominantly deals with the former part, senior functionaries from the Market Infrastructure Institutions, regulatory authorities, and other operational entities teach practical application. As such all students are well-equipped to function in various capacities soon after their appointment.

The batch is a mix of fresh post-graduates as well some with prior experience; all of them eagerly looking forward to starting a right career and contributing to the growth of the organization they would join.

I recommend that you consider recruiting them to help deal with the challenges of your organization.

**Dr. CKG Nair**

Director

National Institute of Securities Markets

Dean - Academics, NISM

## MESSAGE FROM THE DEAN

Dear Recruiters,

With immense pleasure, I present to you, the sixth batch of Post Graduate Diploma in Management – Securities Markets, PGDM (SM) 2022-24.

The batch has gone through rigorous training to understand the nuances in the world of finance especially securities markets by a faculty team comprising of PhD holding seasoned academicians and senior professionals/ market experts from the industry. Our industry vetted program architecture, learner-centric teaching pedagogy, stringent evaluation and mandatory certification examination have prepared the batch very well for taking up various profiles in banking and securities markets firms.

I wholeheartedly endorse the potential of our PGDM (SM) students and trust in their ability to surpass your expectations and impart enormous value to your organizations.

**Dr. Rachana Baid**

Dean - Academics

National Institute of Securities Markets

**Dr. Jatin Trivedi**

Program Director, NISM

## MESSAGE FROM THE PROGRAM DIRECTOR

Dear Recruiters,

PGDM (SM) is designed to provide a perfect blend of conceptual understanding and exposure to best practices and policies, through application-centric pedagogies. The institute with its team of dedicated academic and industry experts impart knowledge based on in depth research, practice and constant interaction with the policymakers and the industry at the senior levels. As part of the PGDM (SM) program, the students not only gain insights into securities markets and finance from the extensive curriculum, but also fine-tune and hone their knowledge and skill sets through simulated trading and investment exercises, and interaction with eminent leaders from the financial world, under the leadership lecture series of the institute.

It gives us immense pleasure to welcome you for the Placement Program of our PGDM (SM) 2022-24 batch. Our students of this batch represents variety of fields, including engineering, management, economics, and commerce. The meticulously thought-out selection process of the batch, industry vetted program structure, case-based teaching pedagogy, simulation exercises, and embedded mandatory certifications, have resulted in a pool of well-trained and skilled professionals ready to take up various roles in securities markets.

I am confident that our students are prepared to take on leadership roles in a variety of businesses and contribute to the growth of the securities market, and I look forward to a mutually beneficial and long-term partnership with your prestigious organisation. I would like to take this occasion to express our gratitude to our previous recruits. I would also like to extend a warm welcome to the new recruiters. I strongly endorse the potential of our students and confident in their ability that add tremendous value to your organisations.

**Dr. Jatin Trivedi**

## Learning-cum-Practice Programme

As a part of our initiative to develop the talent needed for securities markets, we are taking various endeavours to sensitize students to obtain a hands-on experience on securities market practices, apart from classroom sessions.

NISM is partnering with several institutions, which include market leaders, market infrastructure institutions & regulators, to achieve the same.

This Programme has ensured that our students are uniquely placed to receive wide practical exposure to market practices, which in-turn supports their classroom learning; apart from building and fostering a long-lasting relationship with the market/industry.
