About NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI), the regulator of the securities markets in India. The institute carries out a wide range of capacity building activities at various levels aimed at enhancing the quality standards in securities markets.

NISM sprawling 72-acre campus with a serene environment and state-of-the-art infrastructure at Patalganga (near Mumbai-Pune Expressway) was inaugurated by Shri Narendra Modi, incumbent Prime Minister of India, on December 24, 2016. This scenic campus offers full-time residential academic programmes for postgraduate students, short-term training programmes and faculty development programmes for market participants.

NISM has embarked on a fast-track expansion of its activities, both domestically and internationally, which will position the institute as a leading global player in knowledge dissemination and skills enhancement in the financial market's domain.

The campus boasts of state-of-the-art design, finance library, IT infrastructure, well-equipped classrooms, seminar hall, conference hall, etc. It also has an amphitheatre, ultra-modern auditorium and multipurpose hall, recreation facilities for various activities. The entire campus is Wi-Fi enabled. NISM has been carrying out a wide range of capacity building activities aimed at enhancing quality standards in the securities markets and for increasing participation therein, addressing various stakeholders of securities markets, keeping in view its purpose, as mentioned below:

"To develop NISM as a premier Institution recognized globally, for capacity building in the securities market ecosystem with the objective of enhancing quality, compliance, efficiency and effectiveness of participants in the market. This would be achieved through skill development, professional training and certification".

MESSAGE FROM THE DIRECTOR

Dear Recruiters,

The National Institute of Securities Markets has been set up with the purpose of capacity building for the securities market ecosystem. NISM's Post Graduate Program in Securities Markets (PGPISM) is a one-year full time program, focused on all aspects of the securities markets. The program is designed to equip students with the necessary knowledge, skills and capabilities to become effective participants in the securities markets. The program is also designed to instil innovation, leadership and teamwork, in the students.

At NISM, our effort is to develop industry-ready talent. The PGPISM course curriculum emphasizes both theory and practice. While our highly qualified faculty ensures that students have a strong academic foundation, our extensive industry connect, with practitioners, securities market professionals and regulators, ensures that the students are exposed to the latest market practices and developments. Most PGPISM students have also completed some of the SEBI mandated NISM certification exams.

Our present PGPISM batch of 62 students are from varied educational and cultural backgrounds. They are now ready to take on challenging assignments in the securities markets, across a wide range of functions, including research, investment management, treasury management, risk management, compliance, operations, financial planning and wealth management. NISM has an excellent recruitment record and our post graduates have been selected by some of the leading corporates in the financial sector.

Through this brochure, I welcome recruiters to our campus, to participate in our campus recruitment process. We assure you of a seamless and efficient process. This placement brochure contains all the details of the program and the profile of the students.

Shri Sashi Krishnan

Director

National Institute of Securities Markets

Dr. Rachana Baid

Dean - Academics, NISM

MESSAGE FROM THE DEAN

Dear Recruiters,

With a great sense of pride, I present to you the first cohort of our flagship program Post graduate Program in Investments & Securities Markets (PGPISM).

The batch has gone through comprehensive and rigorous training to understand the nuances in the world of finance especially securities markets by a faculty team of PhD holding seasoned academicians and senior professionals/ market experts from the industry. Our industry vetted program architecture, learner-centric teaching pedagogy, stringent evaluation and mandatory certification examination has prepared the batch very well for taking up various profiles in banking and securities markets firms.

I wholeheartedly endorse the potential of our PGPISM students and trust in their ability to impart enormous value to your organizations.

Dr. Rachana Baid

Dean - Academics

National Institute of Securities Markets

Post Graduate Program in Investments & Securities Markets (PGPISM)

The PGPISM is a one-year residential program offering comprehensive exposure to key areas in investments and securities markets, including Economics, Financial Statement Analysis, Corporate Finance, Portfolio Management, Equity Valuation, Fixed Income, Derivatives & Risk Management, Investment Banking, Mutual Funds, Wealth Management, and Law—benchmarked against leading industry standards and contemporary texts.

The PGPISM's thoughtfully structured curriculum, combined with hands-on learning and industry internships, equips graduates for impactful careers in corporate, financial, and securities markets. They are prepared for a wide range of roles, including Analyst, Investment Manager, Treasury Manager, Risk Manager, Compliance Officer, Financial Planner, Wealth Manager, Portfolio Strategist, Research Analyst, and Business Development Specialist.

WHY HIRE PGPISM STUDENTS?

- **Diverse and Dynamic Cohort:**

A well-rounded mix of fresh graduates and experienced professionals with backgrounds in Commerce, Management, Science & Technology, Humanities, and Law, many of whom are also pursuing professional certifications such as CA, CFA, CS, and CMT, are well-equipped to excel in a variety of roles within your organization.

- **Expert Faculty:**

Guidance from professionals, including regulators, MNCs, industry veterans, and distinguished academicians.

- **Advanced Practical Exposure:**

Unique hands-on experience in the SMART lab (simulated trading in equities and F&O), alongside access to Bloomberg terminals and financial databases such as CMIE Prowess.

- **Comprehensive Knowledge Base:**

Strong grounding in both theoretical and practical aspects of all asset classes and market segments.

- **Multidisciplinary Insights:** Rigorous training across Finance, Accounting, Economics, Computing, Quantitative Methods, and Law, ensuring versatile and well-prepared graduates.

FACULTY
