About NISM

National Institute of Securities Markets (NISM) is a public trust, established by the Securities and Exchange Board of India (SEBI), the regulator for securities markets in India. NISM seeks to add to market quality through educational initiatives. NISM consists of six schools to effectively cater to its diverse target audience in the area of Certification of Intermediaries, Regulatory Studies, Securities Education, Financial Literacy & Investor Education, Securities Information & Research and Corporate Governance.

About NISM Certification Examination

The School for Certification of Intermediaries (SCI) at NISM is engaged in developing Certification Examinations for associated persons in various segments of the Indian securities markets. These examinations are being developed by NISM as mandated under SEBI (Certification of Associated Persons in the Securities Markets) Regulation, 2007. Presently, these examinations are delivered through various Test Administrators appointed by NISM in more than 150 cities across India.

Revalidation of certificate through Continuing Professional Education (CPE)

Before expiry of the validity of the certificate possessed by an associated person, the certificate can be revalidated, provided the associated person successfully completes the programme of Continuing Professional Education as may be specified by NISM during 12 months preceding the date of expiry of the certificate. A certificate can also be revalidated by passing the relevant NISM certification examination before the expiry of the existing certificate. Continuing Professional Education programmes are offered at over 100 locations across India by below mentioned CPE providers.

Certain CPE modules are also available through eCPE (in online mode).
