About NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI), the regulator of the securities markets in India. The institute carries out a wide range of capacity building activities at various levels aimed at enhancing the quality standards in securities markets.

NISM's sprawling 72-acre campus with a serene environment and state-of-the-art infrastructure at Patalganga (near Mumbai-Pune Expressway) was inaugurated by Shri Narendra Modi, incumbent Prime Minister of India, on December 24, 2016. This scenic campus offers full-time residential academic programmes for postgraduate students, short-term training programmes and faculty development programmes for market participants.

NISM has embarked on a fast-track expansion of its activities, both domestically and internationally, which will position the institute as a leading global player in knowledge dissemination and skills enhancement in the financial markets' domain.

The campus boasts of state-of-the-art design, finance library, IT infrastructure, well-equipped classrooms, seminar hall, conference hall, etc. It also has an amphitheatre, ultra-modern auditorium and multipurpose hall, recreation facilities for various activities. The entire campus is Wi-Fi enabled. NISM has been carrying out a wide range of capacity building activities aimed at enhancing quality standards in the securities markets and for increasing participation therein, addressing various stakeholders of securities markets, keeping in view its purpose, as mentioned below:

"To develop NISM as a premier Institution recognized globally, for capacity building in the securities market ecosystem with the objective of enhancing quality, compliance, efficiency and effectiveness of participants in the market. This would be achieved through skill development, professional training and certification".

Board of Governors

The NISM PGDM (Securities Markets) experience blends academic rigor with practical market insights. The programme is co-designed and taught by seasoned industry practitioners and market leaders, preparing students for dynamic careers in the securities markets.

Heights of Academic Background Diversity

Securities Market Excellence Development Program: Bridging Theory and Practice

NISM is committed to developing skilled talent for the securities markets through a comprehensive approach. We partner with market leaders, market infrastructure institutions and regulators to provide students with hands-on market experience beyond traditional classroom learning. This strategic collaboration ensures practical exposure to industry practices.

This program positions our students uniquely by providing extensive practical exposure to market operations, reinforcing classroom learning while cultivating lasting industry relationships.
