About NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI), the regulator of the securities markets in India. The institute carries out a wide range of capacity building activities at various levels aimed at enhancing the quality standards in securities markets.

NISM's sprawling 72-acre campus with a serene environment and state-of-the-art infrastructure at Patalganga (near Mumbai-Pune Expressway) was inaugurated by Shri Narendra Modi, incumbent Prime Minister of India, on December 24, 2016. This scenic campus offers full-time residential academic programmes for postgraduate students, short-term training programmes and faculty development programmes for market participants.

NISM has embarked on a fast-track expansion of its activities, both domestically and internationally, which will position the institute as a leading global player in knowledge dissemination and skills enhancement in the financial markets' domain.

The campus boasts of state-of-the-art design, finance library, IT infrastructure, well-equipped classrooms, seminar hall, conference hall, etc. It also has an amphitheatre, ultra-modern auditorium and multipurpose hall, recreation facilities for various activities. The entire campus is Wi-Fi enabled. NISM has been carrying out a wide range of capacity building activities aimed at enhancing quality standards in the securities markets and for increasing participation therein, addressing various stakeholders of securities markets, keeping in view its purpose, as mentioned below:

"To develop NISM as a premier Institution recognized globally, for capacity building in the securities market ecosystem with the objective of enhancing quality, compliance, efficiency and effectiveness of participants in the market. This would be achieved through skill development, professional training and certification".

Board of Governors

The NISM PGDM (Securities Markets) experience blends academic rigor with practical market insights. The programme is co-designed and taught by seasoned industry practitioners and market leaders, preparing students for dynamic careers in the securities markets.

Message from the Director

Dear Recruiters,

Our purpose at NISM is capacity building for the securities market ecosystem. Our Post Graduate Diploma in Management (Securities Markets) - PGDM (SM) - is a two-year full-time AICTE-approved program with a focus on all aspects of the securities markets. The program is designed to equip students with the necessary knowledge, skills, and capabilities to become effective participants in the securities markets. The program instils the spirit of innovative thinking, leadership, and teamwork in students.

At NISM, our effort is to develop industry-ready talent. The PGDM (SM) course curriculum emphasizes both theory and practice. Our highly qualified faculty ensures that students have a strong academic foundation. Our extensive industry connections with practitioners, securities market professionals, and regulators ensure that students are exposed to the latest market practices and developments.

The current PGDM (SM) batch of 111 students is now ready to take on challenging assignments in the securities markets, across a wide range of functions, including research, investment management, treasury management, risk management, compliance, operations, financial planning, and wealth management. The PGDM (SM) students have completed internships with leading firms in the financial sector. The PGDM (SM) students have also completed some of the SEBI-mandated NISM certification exams.

In the past, our students have been selected by many of the leading institutions and corporations in the financial sector.

Through this brochure, I welcome recruiters to participate in our campus recruitment process. This placement brochure contains the program details and the student profiles.

Message from the Dean

Dear Recruiters,

I am proud to introduce the seventh cohort of our flagship program, the Post Graduate Diploma in Management (Securities Markets). This batch, like its predecessor, has undergone comprehensive and rigorous training to grasp the intricacies of finance, investments, and securities markets under the guidance of a dedicated faculty team, which includes Ph.D-holding academics, seasoned industry professionals and officers from regulatory bodies like SEBI.

The industry vetted program architecture, learner-centric teaching pedagogy with hands-on experiences in our data science, simulation, and Bloomberg labs, stringent assessments and mandatory certification examinations, ensure the readiness of our students for the industry.

I wholeheartedly endorse the potential of our PGDM(SM) students and am confident in their ability to deliver significant value to your organizations.

Dr. Rachana Baid
Dean - Academics
